LETTER

AUG 24 1994

Sir:

A final Office Action was issued on March 14, 1994 in the above-identified application. In that Office Action, the Examiner stated that he had not received copies of the documents listed in a Third Supplementary Information Disclosure Statement ("Statement") that was filed by First Class Certificate of Mailing on June 9, 1993. However, our files contain a post card bearing the stamp of the Patent Office indicating that the documents were received on June 14, 1993.

In a telephone conversation with applicant's attorneys on August 10, 1994, Examiner Gambel requested copies of the eight documents listed in the Statement, along with a copy of the stamped post card receipt. Examiner Gambel also stated that he would consider the documents at this time. Accordingly, we enclose the following documents herewith:

1. A copy of a Third Supplemental Information Disclosure Statement, filed June 9, 1993;

2. A copy of Form PTO-1449 and documents cited therein; and
3. A copy of a post card bearing a June 14, 1993 receipt stamp from the PTO Mailroom.

Respectfully submitted,

Jane Gunnison
